Cherries (make two):

Make a 3 ch foundation stitch and close in a "ring" with a ss. Ch 1 and make 10 sc all in the ring.

Close with a ss in the first sc.

Ch 1, work a sc in each stitch, don't close but follow to work sc in spiral until you will have 3 complete rounds.

Close with a ss, chain 1, * 1 sc and 1 inc* repeat ** until the cherry closes. Close with a ss leaving a 5 cm tail.

Twigs and leaves:

Twigs: with green yarn work a sc on the cherry's top.

Make 2 ch and cut the yarn leaving the chain open.

Make the same on the other cherry and join the two "twigs" working 1 sc into the two jointed chains, don't cut.

Leaves: make *7 ch, 1 sc in the second ch from hook, 1 hdc in the following ch, dc in the 2 following chains, 1 hdc, 1 sc*.

Repeat from *to* to have 2 leaves, then close with a ss and close.

Tie tails then, with the help of your hook, hide them inside cherries!
